2. Students will conduct themselves in an appropriate manner while in the library.
3. Students will need parental permission to remain after school to use the library.
4. Students will report to the library at the same time as walkers are dismissed at 2:55.
5. Students may not leave the school grounds and then return to the library.
6. Students must be picked up by parent or designated adult, or have parental permission to walk home or go to Extended Day.
7. **Students not picked up by 3:45 PM will be taken to Extended Day.**
8. A *sign in/sign out log* will be maintained. Adults will need to sign out students with an exception being made for walkers who have a permission slip from parents on file.

PERMISSION SLIP FOR AFTERSCHOOL LIBRARY HOMEWORK SESSION
August 29, 2011

Dear Parents,

We would like to open the library Tuesday and Thursday afternoons, 3:45pm, for homework, reading, research and studying. This will start Tuesday, September 13, 2011. This is an opportunity to use the computer or internet for extra research, use reference books, or to study quietly.

Attached please find the rules we will enforce. If you and your children would like to take advantage of our hours *anytime this year*, please read through the rules together and sign below to show agreement. We must have this form on file in our library for your child to be admitted. If your child can release him/herself out, please note that, too.

Thank you,
