

# St. John Academy Athletics

Dear Parents:

In order to keep up with athletic costs, Saint John Academy is asking parents to contribute an athletic fee to help pay for buses, coaches, and referees. (Generally, all games and practices are after school and the school takes care of transportation. Parents only need to pick up their children from school after practices or games.) This amount will be:

1<sup>st</sup> Child - \$100

2<sup>nd</sup> Child - \$75

3<sup>rd</sup> Child or more - \$50

**This is a yearly fee and serves for soccer and basketball to help with costs to hire officials and bus fees.** (Lacrosse has its own separate fees since we work with McLean Lacrosse)

If you could pay this fee as soon as possible, it would be greatly appreciated. Please make checks payable to: St. John Academy Athletics.

The purpose of this fee is to assist athletic expenses. If there are students who would like to play a sport this year and cannot pay, please contact me. We hope to encourage the athletic growth in the school and *not* discourage it in any way.

Thank you,

Patrick Quest
